

CEN 2017 Scholarship Fund Golf Tournament - Corporate Sponsorships

On June 19th, 2017, we will be holding our 17th Annual CEN Scholarship Golf Day at the Edison Country Club in Rexford, NY. The proceeds of this one day event are the only funds that will go towards several 2017/2018 college scholarship awards, presented to high school seniors or current college students **majoring in a field which can lead to employment with a manufacturer**. Last year, CEN awarded scholarships of \$1,000 each to 4 area students.

Separate from golf participation, we are also offering a wide variety of corporate sponsorship opportunities. We are counting on the participation and generosity of CEN member companies, business leaders and individuals like you, to make this fundraising effort a resounding success. Sponsorship opportunities with benefits are detailed below. Please forward event and sponsorship details to anyone that you believe would be interested in playing in or otherwise supporting this worthwhile cause.

For online golf registration, visit cenmfg.org/events and please consider participating in and/or otherwise supporting our event with a monetary or silent auction donation. When you contribute to the CEN Scholarship Golf Day, you are making a conscientious decision to ensure the continued success of manufacturing and manufacturing businesses in the United States for future generations to come.

Thank you,
2017 CEN Scholarship Golf Day Committee
